## EXPECT TO REACH AGREEMENT TO-DAY

derstanding on Appropriation Bill and Quick Action.

mission in Workmen's Compensation Act.

The stand taken by the Governor not to accept the conference compromise report as a substitute to his recommendations communicated to the House front is in the hands of the supreme yesterday concerning the appropriation bill, unless he is assured that the report will be adopted by the General As-Virginia lawmaking, since it will force the Assembly to agree by poll to adopt propriation bill over his head and renove the responsibility from the execu-

priations and arguing with unchal-lenged figures that the \$2,000,000 deroads, schools and tuberculosis, when tant Conference With Chief of Na- bill passed and was signed by the Governor, will show over \$21,000,000 in the hands of the State with which to meet the \$29,000,000 appropriation in the Assembly budget submitted to the Governor on Wednesday, after the Asweek ago.

On this assumption, there will not be a deficit, but a surplus of nearly more than \$1,000,000 at the end of is generally regarded as a misunder-

The result was that almost twice as much money appeared to be donated less it was understood that the figures carried into the general bill were there for convenience, and not as an appropriation in addition to the revenue to Flood and Harrison have been working It is predicted that the Senate will correct or clarify the condition concernthe War Department place farmers and ing the apparent duplication and pass the appropriation bill without submitting to the gubernatorial pruning.

HOUSE PASSES MEASURES OVER GOVERNOR'S VETO

The House, while vainly waiting yesterday afternoon for the Governor's he would submit at 4 o'clock, went after the recommendations concerning the workmen's compensation bill and the exemption of Prince George County its eyes. It stood pat on the compensation bill, favoring the separate commission by 51 to 37, and passed the bill exempting Prince George County from

that the temper of the House was high, and that it was going to vote according to its own convictions; so it adjourned till II o'clock to-day. The Senate adjourned until 10.

It was understood that the confer-'nce report, if adopted by the Appropriation Committees in joint session, should then become the recommendadeclines to act on that presumption. regarding it as a subterfuge, until he is assured the Assembly will accept tion, which was expected at 4 o'clock. was devoted to the consideration of minor matters. The Senate stood pat reduce it to \$40,000 a year as recommended. It will be remembered that white placing the amount at \$50,000 a year.

EXPLAINED BY SENATOR STRODE During the afternoon, Senator Strode stated that with the situation relating to the 8-cent tax cleared up there would not be a deficit, but would be a surplus, and made the statement clear with the figures, which he challenged any one to refute. He then asked the Senate if it was going to have it go NEW YORK, March 19.—Record high out over the State tast it had sat for false conception that the appropriations to roads and schools were in addition to the special levies. Then followed considerable discussion relating to the sufficiency of the 4-cent spe-

> cial levy for schools. Both Finance Committees, in joint a session of three hours, finally adopted the report of the subcommittee resulting from an all-night conference with Governor Davis and reported back to the joint session at 9:30 o'clock yesterday morning. In every vote the members of the House committee stood by the action of the subcommittee with a majority vote, while just as often the members of the Senate committee where organized Japanese merchants
